Audrey Bitoni

STATS: 34D-23-33

HOME STATE: California

YEARS IN BIZ: 3

In the world of porn where tits and ass are the de facto currency, Audrey Bitoni is a bottomless pool of wealth. Audrey has brought unique her brand of load launching fuck play to many a sexy scene, while mixing her hankering for maneat with a bit of acting chops in XXX parodies like *Getting it Up With the KardAssians* (Juicy) and *Sex Files: A Dark XXX Parody* (Digital Sin). Aubrey always saves some of her best and nastiest banging for her **GENESIS** pictorials, and this tumble with Scott Nails just might be the hottest work she's ever done in the "Home Of Porn's Hottest Stars."

Traci & Nick

TRACI & NICK

Traci knows the trick to satisfying Nick is to always give him the very best of what she has to offer. Famous throughout the neighborhood for her outstanding bj's and super pliable asshole, she wastes no time diving open-mouthed directly onto Nick's dick then allowing him to prep her tail to be piped. He quickly replaces his finger with his fudgepacker and the two settle into a groove. It just so happens Traci is one of those very lucky ladies who gets off greatly from having her back door slammed so Nick really leans into it. He thrusts and she gasps, begging him to give her just a little bit more. Soon she's cumming like crazy as she shimmies her seat way down on his shaft and Nick's knob is throbbing and ready to burst. He pulls out right before he pops and covers her acclaimed ass with a lotta love paste. G

TRACI & NICK

Zuzanna & Kiara

For anyone feeling filthy, showering with an equally dirty partner is an excellent way to make sure that all of those sullied, sensitive hard-to-reach spots receive a special scrubbing. Shower sweeties Kiara and Zuzanna know the nuances of each other's nooks and fannys as extensively as each knows her own, which means they both wind up with their privates polished whenever they team up for a rinse. For these beauties, bathing is way more of a pleasure than a chore. Zuzanna loves it when Kiara really puts her back into it while she's scouring out her snatch and makes sure to return the ➤

favor for her brunette buddy by meticulously licking Kiara's clit clean. And when these water-logged lovelies have finally had their slits sudsed up satisfactorily they will shut off the steaming stream and gently pat each other dry with soft, fluffy towels. 

Poolside Poon Party

Valery finds it hard to focus on her tan line when she spots three hotties poolside. Leisurely, she gives into her lustful fantasy...

Valery couldn't remember if she oiled her thighs. They certainly were glistening, but the way she was gawking at the three men who were taking a dip in the pool across from her—it was most likely her own pussy juices that were creating the shine...

"Can you men help me with some hard-to-reach places?" She yelled from her lounge chair. Quickly, all three men got out of the pool and ran to her sexy side. While one got her back, two others started on her long legs. With every heavy breath she took, each hunk got harder and could barely take the teasing anymore. Valery felt their urgency and released each pulsating ramrod one at a time—deep-throating each one, preparing it for her hot pussy. "Who's first?" Instantly, the first man she laid eyes on was on his back and she rode him in cowgirl as she sucked his friend's and jerked off the other—not leaving a single cock alone.

Overwhelmed with lust, she cooled down once her fiery orgasm quaked through her belly. On her knees, the trio altogether gave her a pearly facial, making up for the hard-to-reach places they never got to oil.

"Mmm, this is much sexier than a tan line," she moaned, licking every stringy stream from her fingers. ♣

NEVER STOP WATCHING ME!

Tara Prefers Sex
With An Audience!

GET US ON YOUR CELLPHONE AT
CLUBXCELL.COM

I used to enjoy sex like most other girls. I was content to be with a guy in private to suck his cock and get licked and laid. Then I tried a threesome and the experience changed something in me. What I really liked about being with two other men was that one of the guys would sit off to the side for a few minutes and just watch while stroking his cock. That really got to me. I liked having someone in my mouth, and an audience on the side. Of course, since it was a threesome, I soon was back in the middle of the sandwich between both guys, but I kept thinking back to those lovely few minutes when one guy was being the voyeur.

Then I got the idea of magazine modeling. I took to it naturally when I first started out. I just let photographers think I was a really good model, but inside I was excited to pose. I like the cameras staring at me with the lenses only inches away from my slurping lips and clenching pussy.

What really pleases me is to have a huge dick to play with when somebody watches—like Mark's here. Aren't you excited to see what I'm going to do with it? I made sure that the photographer got pictures from every angle so that I could give you a real show. Play along with me, baby, look real hard at my pictures—and get real hard. Even though I'm on a magazine page and you're out there in reader land, I was aware of you every moment during the shoot. Knowing that you would be enjoying my pictures made me enjoy them even more. Silly Mark, though, he thought I was getting so turned on just from his big 'ol bone! ♦

Angela & Jon

ANGELA & TOM

Staying in shape has always been a priority for Angela, and ever since she discovered how great it is to go for a spin on a Schwinn it's become her favorite form of exercise. Her bike's specially shaped seat creates such a sound rub on her nub that by ride's end she's always ready to run upstairs and have herself. This time when she returned home feeling hot and horny she found an unexpected and rather handsome package waiting upon her doorstep. Ecstatic over her discovery, Angela wasted no time unwrapping the gift (who was hung like a horse) and, without looking, crammed it right into her mouth. After attempting to swallow her bounty whole, she insisted upon its being rerouted directly to her back door. Athletic Angela came loudly right on her front stoop with a pecker in her pooper, then hopped off for a mouthful of protein smoothie.

FREEDOM THROUGH FACIALS

**Eve Loves Those
Hot, Creamy spurts!**

Before she ever experienced cum on her face, Eve was a rather vanilla type living in Massachusetts. She had a calm life, an average job in an office and a boyfriend she'd known since forever. Then one night this boyfriend—whom she intended to marry—convinced her to let him cream her face with his gooey seed. It was a fantasy he'd been asking to live out for some time. Finally, she said she would allow it—just this once—but it was an eye-opening experience in a way she (and he) didn't expect. Feeling him release his liquid in such an intense—almost socially rebellious way—made her feel that she too could be defiant against the boring humdrum expectations of her normal, average life. She now felt that she could do anything and experience far more than she had ever dreamed. Soon, she split from her boyfriend and left for a long trip of erotic adventures across America, financed not by her parents (who were shocked by her decisions) but by weekends of dancing in strip clubs in the various cities where she lingered.

Her best encounter was in the Midwest with Joe and Marty—two guys only interested in gambling and chicks. One night after long hours of tequila in the strip club where she was working, she took them on in her hotel room and drained their nuts so thoroughly they would talk about it for weeks afterward. She got the jizz on her face that she craved, and was ready for another round soon after. Happiness lit up her pussy and brain. Yes, in cum facials, Eve had found a unique path to freedom! ♣

TITUS

My close friend and very important adult industry mentor photographer/filmmaker, Titus Moody, made me an offer that I couldn't refuse...

"Lust Thy Neighbors"

It was the fall of 1979, and Titus had noticed that there were a couple of attractive young ladies living in the apartment house that I managed. While—in my capacity of manager of "Reb" at Sunset International, a nude theatrical modeling agency located at 6912 Hollywood Blvd.—I had thought about approaching the roommates about entering into the warm, wet, writhing world of XXX many times. I didn't think that they would be interested as they were busy attending a local junior college. Although they looked relatively tempting when they strutted around the apartment house's pool, I was content, simply joking around with them about getting into my business. Yet, when Titus dangled the opportunity to shoot a layout with them if I could convince them to participate, I rose to the bait, as I loved to roll around in front of the camera, creating indelible images for my sexual scrapbook in the process.

However, what Titus didn't know was that a few weeks before he challenged me, I had already had a brief interlude with the ladies, which made it quite easy for me to offer them work when the opportunity arose.

I was in their apartment, trying to make their garbage disposal work, when they came back from the pool on a steaming hot day in early October. And before I could alert them to my presence, they had stripped out of their bathing suits and were prancing around their living room, complaining about "the heat." Peeking around the kitchen corner, I immediately discovered that the slightly shorter and plumper one, Betty, was a real blonde, while the little bit taller, feline faced one, Joan, was a true redhead. Before I could look away and return to my managerial duties, the blonde (Betty) proceeded to ease up behind the redhead and gently cup her breasts. Slumping back into her, the redhead (Joan) spread her legs slightly, and Betty took that as an invitation to slip a hand up underneath Joan so that she could massage her pouting pussy. Joan moaned loudly as Betty worked away at her splayed fur-lined slit. Betty ran her fingers around Joan's pussy lips and pulled gently as the curly red tendrils that fringed the juicy opening. Joan spread her legs even wider, affording me an even better view in the process, giving Betty even easier access to her sexual center. Betty took her time before she finally found Joan's love button that rose like a tiny

cock from the top of her vaginal gash. Poking at Joan's clit until it became engorged with sexual tension, Betty worked Joan toward an orgasm. Then, utilizing her middle finger like it was a switchblade, Betty poised it at Joan's yearning opening and boldly inserted it. She began to slide it in-and-out—faster-and-faster—until Joan was struggling very hard to remain standing.

It was at this point that I felt a rumbling in my balls, not to mention a slow, teasingly sensual hardening between my legs. As I was wearing very loose fitting sweatpants, it was very easy for me to slip my left hand into them, so that I could start massaging my rapidly swelling cock. As Betty's finger became a blur in Joan's pussy, the redhead rose up on her toes, stiffened and then uttered a loud moan as she sank down on Betty's finger and proceeded to coat it with a stream of orgasmic fluid. They kissed deeply and then fell to their knees.

My sexual interest was roaring now. I knew that with a few more tweaks of my dick, and perhaps a nudge or two of my heavy balls, would produce a much-needed release. I was way beyond caring if I soaked down the inside of my sweatpants. But, I held my desire to spurt at abeyance, instinctively sensing that I was going to see even more.

And I was right. Joan, apparently feeling that she owed Betty an orgasm, pushed the blonde back and spread her legs wide open. Lowering her mouth down to Betty's mound of arousal, Joan started to give her an oral going over that had Betty writhing about in sexual delight, and caused her to start digging her fingernails into the carpet, as she rose up into Joan's amorous actions. Just to make sure that Betty's mind was fully occupied, Joan started to lewdly finger-fuck the blonde's tiny puckered asshole.

That was about all that I could stand. I quickly tested the head of my swollen cock and found it be copiously drooling pre-cum. And as Betty began to rattle through her orgasm, my left hand encouraged my cock to explode down the right leg of my sweatpants. However, I wasn't prepared for the intensity of my ejaculation, and I not only grunted a sigh of relief, I stumbled awkwardly out of the kitchen, managing to pull my left hand out of my sweatpants at the same time.

Betty and Joan intensely looked at me with very wide eyes that reflected more amusement than shock—and they made absolutely no attempt to cover themselves up. Joan beckoned me to them. Somewhat sheepishly, I shuffled over until I was standing above them. The silence was deafening. Then, Joan noticed something odd about the inside of my right sweatpants leg. She reached up and poked at the area just above my right

knee. She whispered something to Betty and they giggled. I looked down and saw that the end result of my ejaculation was soaking through my sweatpants profusely, creating a decadent design. Joan reached up and boldly pulled my pants down, revealing quite a sticky sight, complete with my somewhat tumescent cock still oozing the vestiges of my molten moment.

Betty and Joan surveyed the situation.

And then, as if I weren't in the room with them, they began to discuss me (and my cock) in a rather detached manner. "Damn that guy," said Betty, "Wasting a good load and not saving any of it for us," She added. "Well, maybe he has something left," Chimed in Joan, as she got up on her knees and began to inspect my cock with her right hand. Cradling my balls with her left hand, her fingers began to search them for signs of tension. Finally, when she felt them twinge, she smiled down to Betty. "There's still some life in this party," Joan purred. As Betty got up on her knees and took my cock from Joan, she stroked it knowledgeably as it began to grow longer and harder. She spoke right to its slowly swelling head, "Do you think that it can shoot again?" Joan quickly answered for my cock, "I think so, but we should make him wait awhile—until he has time to build up another load, and until he really can't hold back any longer." Joan and Betty's dialogue was functioning as fuel to the fire that was burning between my legs. Joan's manipulations of my balls had them bloating to the point of bursting, and Betty's right hand was working my cock into a rather formidable piece of wantonness. Although I had to admit that I didn't figure I was going to be able to cum so soon after my sweatpants experience, I was delightfully surprised to discover that I was starting to feel like I was going to be able to explode again so soon. Just as I sensed that "About to go out of control" feeling that accompanies an orgasm, Joan looped her fingers around the top of my sac and pulled my balls down just enough to inhibit my ejaculation, but not enough to prevent Betty from chirping her glee as her hand induced a tiny pearly drop of cum to ooze from the opening of my cock. Then, continuing to talk about me (and my cock) as if I weren't there, Joan, who was literally making my nuts go nuts, said, "Well, I guess he wasn't empty after all. In fact, I think that he will be able to give us a pretty good show, but just to be sure, I think that I'll prime his pump," she added,

deftly coating the middle finger of her left hand with my cum, and then slipping it up under the nut sac that she had worked into a frenzy, and entering my asshole with little resistance. I felt my cock grow considerably bigger and harder in Betty's devilishly-determined stroking hand at this point, and at the precise second Joan located and ignited my prostate, I looked down and watched my lust burst free, wildly, inundating Betty and Joan with a sticky sheen. Joan stayed after my prostate until my asshole was no longer clenching at her finger, and then she eased it out of my rectum, and resumed her massaging of my balls, while Betty persistently stroked my cock until it

front of Titus' still camera, I got to know each one of them more much intimately.

Betty showed up at my door late one night when Joan was away visiting her family, seeking some company. It didn't take very long for us to get down to the sexual matters at hand (and elsewhere), and as I was about to enter her, she looked up at me and said, with a mischievous twinkle in her eyes, "It's about time." Not surprisingly, Betty had a tender side and loved to snuggle. So, to show her appreciation of my hugging her closely throughout that night, she quickly (and very cheerfully) made sure to empty my balls down her throat as soon as we woke up.

Joan, on the other hand, played it much more coolly. Inviting me up to her apart-

just what to do to my heavy balls to make them explode so that we could inundate ourselves with lust at precisely the same moment. We shuddered and then subsided. "OK, now let me suck it up again. I want to see you pop," Joan said, very matter-of-factly. Of course, I wasn't going to complain—even when she worked her magic with her dainty finger in my asshole. In fact, I was learning to enjoy what she called "priming my pump." I showed my enjoyment by pulling my cock from her mouth at the second her oral ministrations had worked me up to shooting, and with just one stroke of my left hand, I began to spurt massively, accurately aiming my entire ejaculation right into her grinning face.

**I felt her

my cock as
if it were a
tit**

was only expelling steam—and it began to soften.

Again, the silence was deafening. After all of us regained whatever composure we could muster, Joan grinned at me and said, "You know, we knew you were watching us." And Betty quickly added, "And we are happy that you enjoyed the show that we put on for you." With that revelation, I pulled up my sweatpants and went back to their kitchen and fixed their garbage disposal.

And so it was that when Titus asked me to ask Joan and Betty if they would like to model, I certainly had no qualms about offering them the opportunity. Quite frankly, I think that they wound up doing it more out of curiosity rather than for the minimal profit that they would be getting from the experience.

It should also be mentioned here that before I worked with them in tandem in

ment for dinner, when Betty was away taking a night course, she fed me a delicious T-bone steak and baked potatoes meal, and then advised me that desert would be served in the bedroom. She also said that I could leave my clothing in the living room.

When I entered her jasmine scented, candle-lit bedroom, she was already in the doggie style position, her red fur-lined sexual target glistening with the heated juices of expectation. "I know that you are good for two," she purred as the hedonistic animal in her surfaced, "So unload your first one in me, and then I want to see your second...like the last time." Her words had me hard even before I could think about getting myself up. And very quickly, I was in her to the hilt. I felt her vaginal walls sucking at my penetration as if it were a tit. And then, as she tensed toward her orgasm, she knew

It should be noted however, that throughout the tv repairman plotline oriented, basically softcore (no real penetration or cum shots) still shoot that Joan and Betty and I eventually worked in (pictures of which decorate these pages), neither of the ladies was as sexually aggressive as they had been during any of our off camera interludes.

Titus didn't seem to mind as he was getting lots of shots. I was having fun, culminating with being tossed out naked, because I really wasn't a very good tv repairman after all.

Besides, both Betty and Joan assured me that they would each relieve any frustration that I might have by attending to my needs when we got back home.

And they did.

And perhaps that'll be the basis for a future installment of "Those Were The Lays."

Ryder & Alan

Ryder & Alan

Cutie pie grad student Ryder Sky was beyond delighted when handsome scholar Alan suggested they spend an afternoon together in the library boning up on their notes in preparation for midterm exams. Ever since the start of the semester Ryder had been longing to have an intense cram session with her studly classmate and today was indeed her lucky day. They first secured a quiet corner so that they could embark upon a really in-depth examination of the subject matter without fear of being interrupted. Then Ryder revealed all of the topics she wanted Alan to cover and he agreed to really go into detail. After they both demonstrated all their knowledge and expertise by participating in a lengthy and probing dickcussion that involved exhausting the issue from all angles, Alan came up with one final spurt of inspiration which Ryder found to be quite satisfactory.
